

LAKE CITY DOWNTOWN MASTER PLAN NO. 1 PUBLIC WORKSHOP

Please join us in our series of strategic planning sessions supporting the preparation of the Lake City Community Redevelopment Agency (CRA) Redevelopment Master Plan. This is the first workshop in a series of community meetings that will be held throughout the course of this planning study. The purpose of these community workshops is to educate the citizens on the anticipated planning process, share preliminary findings related to the study area and brainstorm ideas and solutions for attracting future development within the redevelopment area boundaries. We invite you to be a part of the planning process for the Lake City Downtown CRA Master Plan Update.

WHERE:

Columbia County Public Library, 308 Southwest Columbia Avenue, Lake City
