23 *(The room quiets down)*

24

25 COMMISSIONER DUPREE: Commissioner Williams.

26 COMMISSIONER WILLIAMS: Mr. Chairman – I ah – ah – something
27 happened at the last board meetin that I really thought it was a little asinine,
28 ah - but ah – after I began to think about it – ah – ah as I was mullet fishing
29 the next day – I felt that it was more serious than ah – I took it to be.

30 Ah -- on our last scheduled board meetin that Barbara Lemrey
31 [Lemley] -- ah -- ah -- took the effort on herself to plunder around my truck,
32 lookin on the -- in the tailgate and takin pictures of my truck and ah ah ah ah
33 ah ah ah I resent that. That's my truck and she has no business plunderin
34 around my truck.

35 Ah. I feel that anybody that would go stoop so low to go to ah
36 ah ah ex-wife of a board member to try to dig up dirt, would do anything.
37 And I am going to file a incident report with the Sheriff Department becau
38 she might plant explosives on my truck or dope or something. And I don't
39 trust her. And I – I want to tell you Ms. Lemry, I do not appreciate you
40 plunderin around my personal equipment. And I will be filin a incident report
41 with the Sheriff Department -- because I don't -- I don't put it past you to
42 plant drug or put explosives on my truck.

43 So if I beeed blowed up -- you all know what's goin on. Okay?
44 Now meetin adjourned.
