PO Box 1529 Lake City, FL 32056-1529

Meeting Location

Columbia County School Board Admin. Complex
372 West Dural Street, Lake City FL 32055

This is the 3/11 agenda, The County web site does not have links to the ordinances below, nor is the material for the March 25th meeting on the county web site where it belongs.

This meeting is a meeting to enact ordinances. It doesn't say that. And neither did the county web site.

Special Meeting

AGENDA

Date March 11, 2010

7:00 P.M.

Invocation (Commissioner Stephen Bailey)

Pledge to U.S. Flag

Public Comments

Dale Williams, County Manager:

1. Overview of Ellisville Utility
2. Utility Rate Studies

If the rate study is available today, 3/18, the county is not talking.

By 11:45 on the day of the meeting the rate study is still not available.

County Commission, Hon Ronald Williams, Chairman

Brian Armstrong, Attorney, Nabors, Giblin & Nickerson, P.A.

PUBLIC HEARING(S):

- (1) Utility Service Area Ordinance
- (2) Utility Mandatory Connection Ordinance

Even though the ordinances have been available since early Feb., the county management only made them available on the county web site at 5:15 p.m. on March 8th. The 347 pages of material does not separate the ordinances or anything else that is on the agenda. This is typical Columbia County upper mismanagement.

DISCUSSION AND ACTION ITEMS:

- (1) Technical Specifications
- (2) Proposed Cost Share Ordinance

This is a fine piece of work put together by HR person Linda Howard. It is really called a systems handbook. It is part of the 347 pages glommed into one giant confused mess by county management. The proposed Cost Share Ordinance is also in there.

This is really a special assessment ordinance. This is a typical Columbia County sneaky misstatement of the facts.
