Public Comments

Raymond Macatee, Scrap to Music

Missing from the agenda are Commissioner Additions. The infamous Columbia Commission has reinstated Commissioner walk-ons with a vengeance. This is a recently born again scheme by the Commissioners to add important items to the agendas for discussion and action at the end of the meeting without any public notice, supporting documents, or public comment.

This flies in the face of Good Government and the spirit of the Sunshine Laws.

COMMISSIONERS COMMENTS

ADJOURNMENT

Recommending What?: This vague and useless explanation of course has no supporting documentation. Should probably read -- Columbia County's Good ole Boys at work.

Action on What?: Another case in a long line of inadequate or non-existent explanations by the County Commission.

See Above: **Missing from the agenda.**
