

City Manager - Lake City, FL (Pop. 12,100)

Located in northern Florida, 60 miles west of Jacksonville and 45 miles northwest of Gainesville. \$57M general operating budget, and 250 full-time employees. Stable government with small town character and friendly atmosphere. Current City Manager retiring after nine years of service. Council/Manager form by Charter with Mayor elected at large & four (4) Council members elected by district. City services include fire, police, public works, recreation, utilities (gas, water & wastewater), and general aviation municipal airport. Applicants must possess a minimum of a bachelor's degree from an accredited college in Public or Business Administration, and a minimum of ten (10) years of progressive responsible experience in municipal and/or corporate management work, including experience in a senior management position, or any equivalent combination of training, education and experience.

The ideal candidate will possess strong fiscal management skills, a commitment to team/participative management, excellent written & verbal communication skills, and have a history of good community relations, keeping abreast of new technology and other issues relating to local government management. This candidate will have successful experience with labor relations, community & economic development, fostering good intergovernmental relations and infrastructure development/replacement projects.

Florida experience and membership in ICMA is preferred; ICMA Credentialed Manager status is a plus. The manager is expected to be active in the Florida City/County Management Association (FCCMA). Salary range: commensurate with training and experience. Applicant must have a valid Florida driver's license and will be required to pass a background check, pre-employment physical and drug screen.
