Dear Candidate:

Congratulations on making the General Election in November. As a public service to the voters of our area, Florida Gateway College, and the Lake City/Columbia County Chamber of Commerce will be telecasting forums featuring qualified candidates seeking office in the November general election. The forums will air live on the date below and will be re-broadcast on Comcast Cable channel 8. In addition, the forums will be simulcast live through a video streaming server on the college's website.

You are invited to participate in a live telecast originating from the College studio on:

Monday October 22, 2018 beginning at 6:30 PM in Building 200

The format of the telecast is where candidates of each participating race are given the opportunity to make a two-minute opening and closing statement and will be asked questions by a moderator. The candidate will have two minutes to answer each question with possible follow-up question.

This program will offer you a substantial opportunity to address the voters of Columbia County. **DUE TO THE NATURE OF THE LIVE FORUM WE REGRET THAT NO SURROGATES AND/OR RESCHEDULING OF CANDIDATES FOR ANY REASON CAN BE ACCOMMODATED.**

In order to be included in this program, **YOU MUST CONFIRM YOUR APPEARANCE BY CALLING THE FLORIDA GATEWAY COLLEGE TELEVISION CENTER AT 754-4329, NO LATER THAN OCTOBER 18, 2018 AT 4:30 pm.** Failure to do so will indicate to the producers that you do not wish to participate and you will not be included as part of the production for the live telecast.

We sincerely hope that you will join us for these informative and popular election year programs. Should you have any questions, please call the Chamber office at 752-3690.

Sincerely,

Mike Williams
Government Relations Chair
Lake City Columbia County Chamber of Commerce
